## Setup

- Shuffle the 6 Gift tiles with the others tiles.  
Then form **8 stacks of 14 or 15 random tiles**. Place each stack on one of the 8 square-shaped spaces.

## A – Listen to Stories

- If the player takes a Gift tile, he places it in front of himself.

## End of the Game

- Score one point for each Gift tile you collected
- Score one additionnel point for each pair of the same Gift.
