

Discoveries

The Journals of Lewis & Clark

A party of brave men committed to gaining an understanding of the geography and natural resources of the West. Without fail, they traversed almost inaccessible mountains, crossed impetuous rivers, contending with mosquitoes and wild animals. Their adventure is known today thanks to the journals the members published when they returned to Washington.

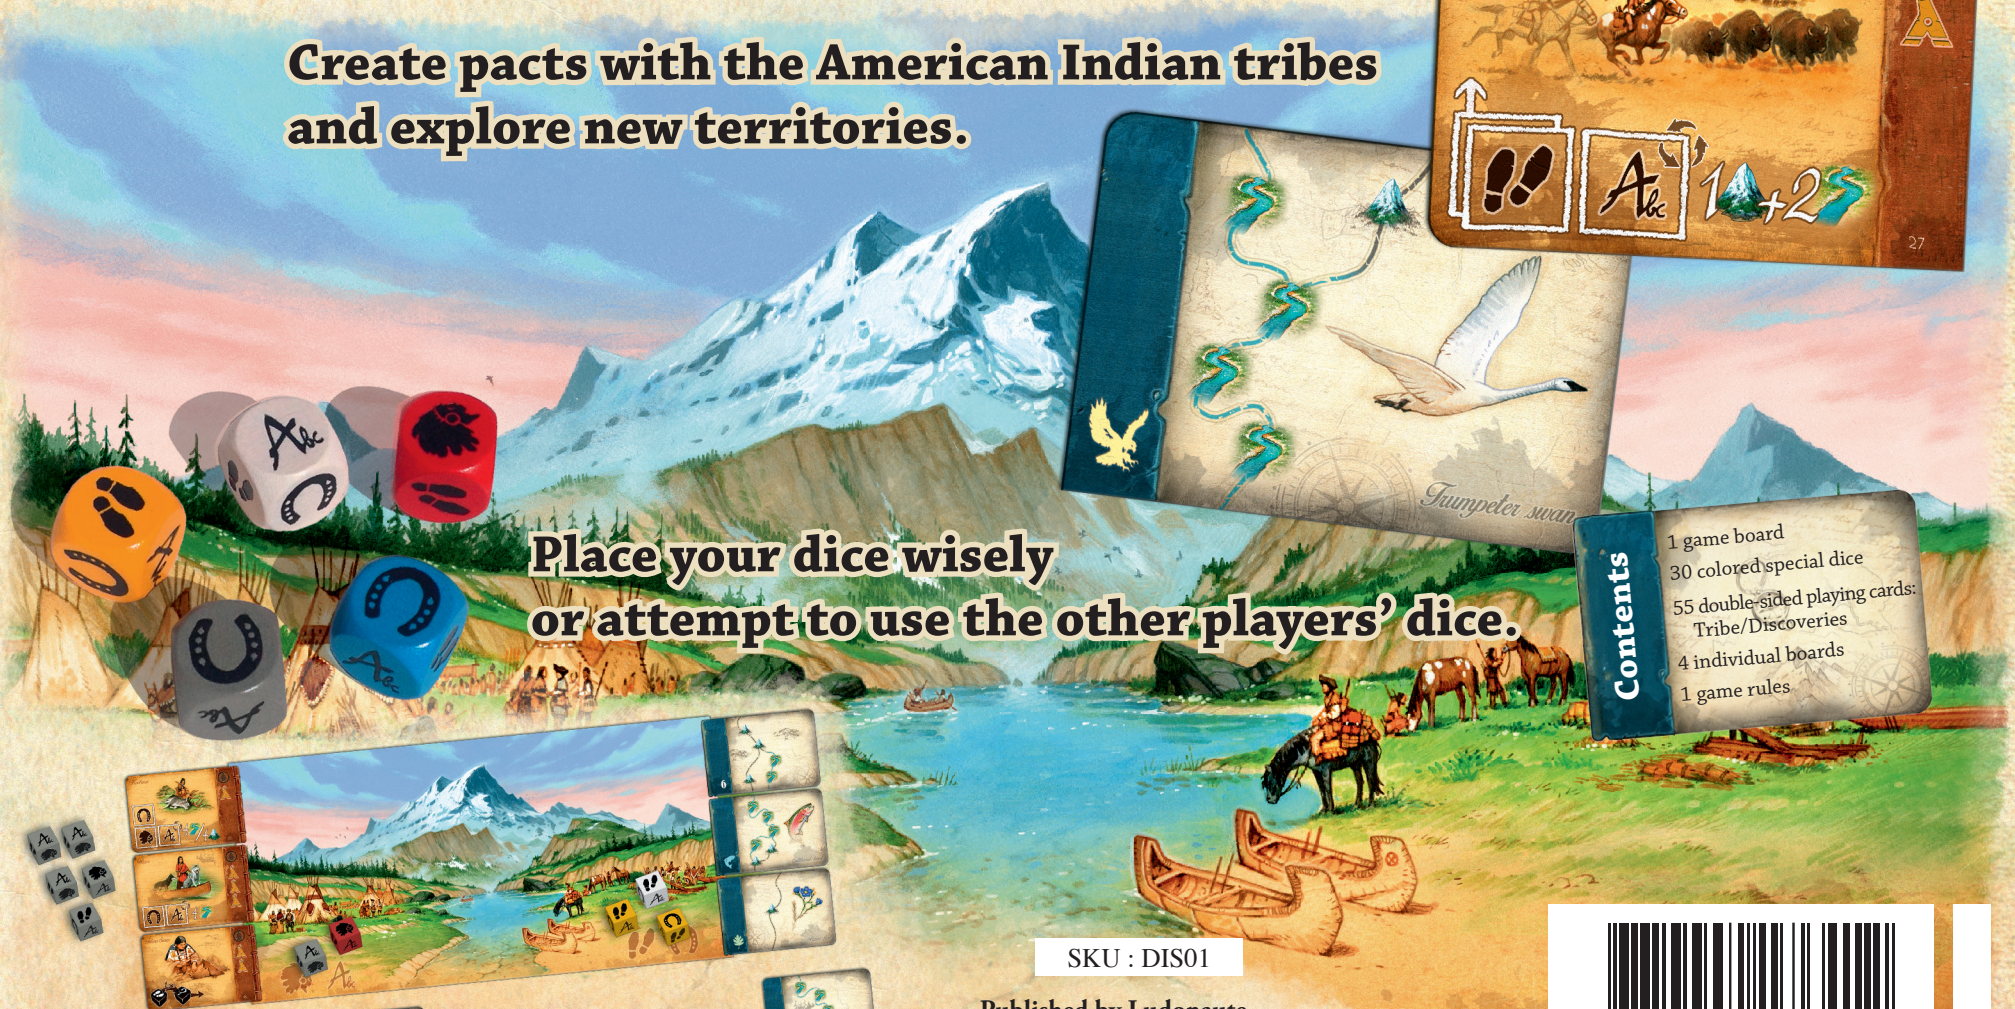

Today is your turn to write history!

Create pacts with the American Indian tribes and explore new territories.

Place your dice wisely or attempt to use the other players' dice.

Contents
1 game board
30 colored special dice
55 double-sided playing cards:
Tribe/Discoveries
4 individual boards
1 game rules

SKU : DIS01
